Polytech Academy at Chattanooga State is a unique blend of high school and college designed to give students a jump start on their education and career paths. Students will take a blend of Chattanooga State and Hamilton County classes. Polytech offers 3 pathways: Chemical Engineering Technology, Mechatronics Systems, and Computer Information Technology.

Polytech Academy at Chattanooga State is for rising high school juniors and seniors from the Hamilton County area. Students remain enrolled at their current high school but attend courses at Chattanooga State. Students will gain experience through active learning and hands-on training. Polytech Academy is a great opportunity for both college and career bound students.
