Tyner Middle Academy is a high performing school with an intimate family feel dedicated to the success of all learners. The dynamic faculty and staff are committed to making a difference in students' lives every day. Every student at Tyner Middle learns 21st Century skills through innovative curriculum, extracurricular activities, and integrated technology use. Located in the heart of the Tyner community, Tyner Middle Academy is a zoned magnet school. Through the support of community partners, students have a team of stakeholders working collaboratively to support their post- secondary success
